

Journal Questions

1. What was helpful to you about today?

Conversation about concepts and standards
Knowing at first it was overwhelming
become *or take* with practice

Several others mentioned how helpful
this was to them. They also appreciated
your encouragement + sharing of your
experiences. That was wonderful!

What were you unsure about? Explain.

Where are EDGE standards? *Coming 1?*
When will they be on live text? *Soon?*
Will we get a written copy of
these to share with the parents?
Yes! We're getting them.

3. Questions/ Suggestions/ Comments

From start to finish write
a lesson on live text

We saw how to get to live-text
at what now? Where do I
go? How can I use the

This will be on the agenda as
part of the study group. *Good Observation.*

Thank you for your leadership! Great job!

Journal Questions

1. What was helpful to you about today?

When we have to teach new info to others, we learn it better, more fully, deeply ourselves. *Don't*

I'm excited about making this even more a part of who I am ^{live!} as a teacher. *that the truth!*

Loved the J2E piece. 😊

Seeing where I was last year reflected in Jackie's comments + knowing where there'll be @ the end of the year. *agree!*

What were you unsure about? Explain.

The flow of our wheel *I felt the same way* from the connect / concept / content wasn't as clear as I would have liked - but it's the 1st meeting blending W1 & W2 go - so I have a better picture of how to better blend it for Nov's meeting. Great! Will meet at convention.

Questions/ Suggestions/ Comments

I'm glad we held off on dissecting SDAEDGE lessons until we all are more comfortable with *concept vs content.*

Thanks for your understanding Pam

This month Sherry *Daly* & I will create a science / Bibb / Writing

Thanks for your leadership

Great job

Journal Questions

1. What was helpful to you about today?

The air cond. was very helpful - 😊 thank you!
Music as worship. Yes!
Loved Phyllis' reinforcement of the
horse lessons! Me, too!

Always get a blessing re connecting &
everyone. Isn't that the truth!

Felt pos. feedback from puzzles & 4MAT critique.

2. What were you unsure about? Explain.

- Myself -- felt disjointed. Felt better
after the air started to move. (The nausea
was pretty bad until then.)

- Worried that peo didn't find
anything worthwhile.

No need to worry! Journals say it
was very helpful!

This is a normal
feeling for a facilitator
doing what
we are
doing!

3. Questions/ Suggestions/ Comments

You did great!

Worried about Jacqueline. Still be OK!
Thanks for the H₂O.
Wonderful to be able to pass
the cards to Phyllis --
frustrated @ feeling helpless
in not transitioning as well
as I'd have liked.

Thanks for your help! It really was great!
Pam

Want copies of it!

They loved the puzzle.

Journal Questions

1. What was helpful to you about today?

Yes!
I enjoyed seeing the people get interested in the different projects. They seemed to be enjoying themselves and hopefully this will give them a positive feeling about 4 MFT and the study group. I feel the same.

2. What were you unsure about? Explain.

I was very unsure about my part and felt like I didn't do a thorough job. I should have written up my notes rather than just making notes on the slides in my book.

Don't be so hard on yourself!

You did fantastic ---
really!

3. Questions/ Suggestions/ Comments

I think on the whole things are going smoothly. Me, too!

Thanks, Beth, so much for your help + leadership. It takes us all to make this work.

2. What were you unsure about? Explain.

Times / time keeping

3. Questions/ Suggestions/ Comments

Need to add times or \approx (approx)
times to agenda.

More time for lesson collaboration

— Need to help peo realize 4MAT allows one
to condense lessons — you don't have to
get 48 lessons into 2nd semes. Go for the
standards/concepts what are the overarchig
themes.
